1. Brent Dorenbecker, Chair, called the meeting to order at 1:32pm.
2. Quorum present.
3. Ad hoc Bunker Committee.
 - A. Members of the committee met with Todd Clark, CE Golf Design. Todd Clark presented a Preliminary Sand Bunker Renovation Plan which covered CE Golf Design's bunker ideas to improve the golf course. It was explained this bunker project will be in collaboration with the City of Rowlett, Rowlett Golf Advisory Board, Waterview Golf Club and American Golf. The goals and objectives revolve around playability, sustainability, aesthetics and maintainability. The reasons for renovations are drainage failure, sand contamination, edge erosion and design consideration. A chart with golf course life cycles, as well as examples of bunker renovation work was shared with committee members. In considering bunker changes persons need to keep in mind the playability, style of bunkers, and the overall concept. Bunker improvements for each hole was discussed. Committee members and Dan Cortese discussed the Grass Face Flat Floor style bunkers.
 - B. There was a brief course tour of holes #8, #2, and #1.
 - C. Todd Clark will revise the preliminary sand bunker renovation plan with information received today then will meet with American Golf. All parties agreed to meet again on April 10, 2019 at 8:00am to review the revised bunker plan and further discuss.
4. Adjourned at 5:18pm.
