

Child's Play Drop-In Playtime

Guidelines

- 1) Children must be between the ages of 6 months and 6 years.
- 2) Parents must remain in the Community Centre while their child is participating in the Child's Play program and may not leave the building at any time for any reason.
- 3) Parents are required to sign children in and out at each visit. Children will only be released to the parent listed on the sign-in sheet.
- 4) Please do not bring toys to Child's Play. Comfort items such as blankets and stuffed animals are permitted. The Community Centre is not responsible for lost or stolen items. Due to safety policies and limited space, we cannot store car seats, strollers child carriers or similar equipment during your use of the Community Centre. Please store these items in your vehicle.
- 5) Parents will be notified if a child cannot be comforted from crying after 10 minutes. Staff will work with you and your child in order to make him/her comfortable.
- 6) As a drop-in playtime program, no food or snacks will be given out. Bottles or sip cups with spill proof lids are allowed.
- 7) We request that children who are ill not attend Child's Play as a health standard, as a courtesy to all, and for the well being of all the children. Any child exhibiting cold or flu symptoms will not be permitted in the Child's Play program.
- 8) **Child's Play will not provide diaper changing services. Please change your infant prior to checking him/her in to the Child's Play Program. If a child has a soiled diaper, the parents will be notified to change the child in the facility restrooms.**
