

**Do you have a video security system on the exterior of your home?**

**If yes, would you be willing to have your address entered into a private/confidential database for the Rowlett Police Department?**

*Participation would assist the Rowlett Police Department and their detectives in possibly solving crimes that may occur in your neighborhood. In the event of a crime, you would possibly be contacted by Rowlett PD and they would ask to observe your security/surveillance video.*

**Please understand this is entirely voluntary**
