

PARKS AND BODIES OF WATER PROTOCOL

Business Protocol	Restrictions	Best Practices/Suggested Guidelines	Staff Liaison
Health Protocol for Individuals	<ul style="list-style-type: none"> • Parks, Rivers and Lakes may open • Indoor swimming pools may operate up to 25% of the total listed occupancy of the swimming pool facility • Outdoor swimming pools may operate up to 25% of the normal operating limits as determined by the swimming pool operator. • Local public swimming pools may so operate if permitted by the local government. • People shall continue to avoid visiting interactive amusement venues, such as water parks and splash pads. <hr/> <ul style="list-style-type: none"> • Maintain at least 6 feet separation from others not within the individual's group at the park, river or lake. The individual's group may not exceed the greater of the individual's household or up to 5 individuals who go to the park, river or lake together. If such distancing is not feasible, other measures such as face covering, hand hygiene, cough etiquette, cleanliness, and sanitation should be rigorously practiced. • Self-screen before going to a park, or other open space for any new or worsening signs or symptoms of possible COVID-19 • Wash or disinfect hands after any interaction with employees, other customers, or items in the park, river or lake. • Consider wearing cloth (nonmedical) face coverings (over the nose and 		<p>Janet Tucker Neighborhood Services Manager 972.412.6123 jtucker@rowlett.com</p>
