Rowlett to participate in Dallas County Aerial Spraying for Mosquitoes

Aerial spraying will occur Wednesday, August 22 and Thursday, August 23

ROWLETT, TX. An Emergency City Council Meeting took place last night, Monday, August 20, to finalize whether or not the City of Rowlett would participate in Dallas County's Aerial Mosquito Spraying program. After conducting their own research and carefully considering all of the input offered by citizens, whether in person or via email and social media, the Rowlett City Council voted to opt in.

According to Dallas County officials, the aerial spraying for Rowlett will occur Wednesday, August 22 and Thursday, August 23 between the overnight hours of 9:00 P.M. and 1:00 A.M., weather permitting.

A sixth confirmed Human case of West Nile Virus Disease in a resident of Rowlett has also been reported by the Dallas County Health Department to Rowlett officials. The confirmed case was near the intersection of Rowlett Road and Chaha Road in the 75088 zip code.

For additional information on West Nile disease or mosquito breeding please contact the Dallas County Health Department at 214-819-2115 or on the internet at www.dallascounty.org.
